## Liturgical Renewal and Understanding the Mass

Liturgy means *work of the people*. Within the Catholic Church, it is used to describe all the public acts of worship that take place, as it draws the people into the work of God. Liturgy is more than the words that are said, or rituals enacted.

We will examine Catholic liturgy, understanding that liturgy is always an action one in which every member of the community has a part to play; each according to the sacred order assigned by Christ. This then calls for the entire community to be properly instructed in the mysteries of the liturgy, lest the experience of worship simply becomes a form of ritualism. Through liturgy, we encounter God, and we are united with our brothers and sisters across the world as the Universal Church.

**When:** 28 October from 9:00 – 12:00 noon
